SEMINAR

Making the World a Better Place

Restitution and Restoration in Development

Speaker

Barbara Harriss-White

Emeritus Professor of Development Studies, Oxford University

Chair

Sudhir Chella Rajan

Professor, Dept of Humanities and Social Sciences, IIT Madras

3 Oct 2019
Thursday
3:30 p.m.

Adiseshiah Auditorium
Madras Institute of Development Studies, #79, 2nd Main Road, Gandhi Nagar, Adyar, CHENNAI

If we are to understand the array of therapeutic political responses advanced to address the degradation of our natural habitat, we need to try to understand the physical and social processes causing it.

Only then can we grasp the implications of the failure to mainstream restitution and restoration into the study and practice of development. The air will be used as case material.

This talk is presented as work in progress.
