

Review of Development and Change is a bi-annual peer reviewed journal. It encourages theoretical and applied scholarship that perceives problems of development and social change in depth, documents them with care, interprets them with rigour and communicates the findings in a way that is accessible to readers. Priority will be given to articles with a focus on economic, social and political issues pertaining to the Global South.

Forthcoming!

ISSN: 0972-2661 • Bi-annual
