74th Republic Day Celebrations at MIDS – Report

The Madras Institute of Development Studies (MIDS) celebrated the 74th Republic Day on campus with the usual enthusiasm and vigour among the staff members. Prior arrangements were made the day before for the celebrations. Colourful Rangoli patterns were drawn near the flag pole. The members wore the tricolour labels as part of their attire. The tricolour national flag was unfurled in a ceremony at 8'-o-clock in the morning, with many MIDS staff in attendance. Prof. L. Venkatachalam, Professor and RBI Chair, officiated the ceremony and unfurled the flag as the staff members stood in due attention to the tricolour flag. The ceremony ended with the singing of the National Anthem. Wishes for the Republic day exchanged. Confectioneries were distributed to the attendees. Photographs taken are enclosed herewith.
